

## Goliath Beetle

I caught a goliath beetle!  
Am I a legend or what?

<b>General Information</b>	The goliath beetle is native to Africa.
<b>Key Word(s)</b>	Goliath, legend, "or what?"
<b>Pun</b>	<p>No pun exists. The goliath beetle is named after the biblical giant Goliath due to its immense size.</p> <p>A legend is a story from the past that is believed by many people but cannot be proven true.</p> <p>By asking "Am I a legend," Bjorn Corn is light-heartedly likening his capture of the goliath beetle to the legend of David and Goliath in which David, an average man, conquers Goliath, a strong warrior who was twice his size.</p> <p>Adding "or what?" to the end of a question is commonly done to excitedly emphasize the truth of the speaker's original opinion. It is not a request for an alternative but rather seeking strong agreement from the listener.</p> <p><i>"Am I a legend or what?" = "I am such a legend."</i></p>
