

Loach

I caught a loach!
It's...looking at me with reproach.

General Information	Loaches are native to Europe, Asia, and North America.
Key Word(s)	loach, It's, reproach
Pun	<p>No pun exists. A loach is a common bottom-feeding fish.</p> <p>To reproach is to express disapproval or blame.</p> <p>The loach is looking at Bjorn Corn with reproach because it is not happy about being caught.</p>
