

Rosalia Batesi Beetle

I caught a Rosalia batesi beetle!
That's easier to do than say!

General Information	The rosalia batesi beetle is native to Japan.
Key Word(s)	beetle, That, do
Pun	<p>No pun exists. Instead, the second line refers to the difficulty in pronouncing the beetle's name which is pronounced "Ro-zah-LEE-ah BAYtsee."</p> <p>In other words: "Catching a rosalia batesi beetle is easier than saying its name."</p>
